

Provost's Search Committee

they move through the discussions of the marketplace and especially perspective.

III. Marketplace Feedback and Progress Update

The committee then heard from Lisa Solinsky on the feedback they are hearing and what is being said about the University of South Florida. She shared that she has been contacted for candidates, with dozens of nominations made.

The committee had questions surrounding the specific process of nomination and how they are made. The Storbeck team informed the committee that they had specific recommendations who to move forward to be deeply evaluated by the committee but that the committee should select others and make their own recommendations.

IV. Prospect Profiles

The committee then was presented with 12 prospect profiles and discussed each one into various tiers.

V. Next Steps

The committee will next evaluate on a deeper level and discuss applicants to move forward with to first-round interviews with the committee before selecting final candidates. President Law and visit USF.
